

Stepping Stones to a Better Tomorrow

Holiday Presentation 2020

The holidays are normally a time of joy, celebration and time with family. This year, however, things are going to be very different for all of us. Grief comes in so many forms and each and every one of us are grieving something whether it be a death, illness, divorce, loss of job, home etc. Many feelings are encompassing us as a world. Some of them might be sadness, loss, loneliness, emptiness, fear, anger, guilt and confusion. Today, they are perfectly understandable but we cannot allow them to control our lives.

In light of Covid19, it is not safe to gather people in a group to do a presentation. Therefore, a video presentation will be available on Higgins-Reardon's website and Facebook. Go to Higgins-Reardon.com and scroll down to Grief Support then go to Grief and Healing.

In keeping with the tradition of Stepping Stones Through the Holidays McDonalds and Subway gift cards will be accepted for the homeless and under served. They will be given to Dorothy Day House on Belmont Ave. Dinner is served once during the week because of Covid.

If you have any questions,
I can be reached at 330-792-2353.

Sister Pat Fesler, HM
Grief Support Specialist
